## ★★ BEER DINNER ★★

**WEDNESDAY, MAY 3, 2017 6:00PM**

Last brewed nearly a century ago and thought to be lost to the ages, Kristall Weizenbock reflects the liaison of tradition and Weihenstephaner's state of the art brewing.

Kristall Weizenbock is a vigorous and bright bridge from the strong Vitus Weizenbock to the delicate Kristall Kristalweizen. Coming in at 7.7% this Weizenbock has been filtered to a golden-yellow, crystal-clear wheat bock, offering a crisp mouth feel. Balancing traditional notes of Weihenstephaner yeast, this beer pairs the familiar banana and cloves harmoniously with fresh, fruity and floral hop aromatics of Opal, Smaragd (Emerald) and Saphir (Sapphire).
